Will people ever learn that THE LEDGER pays no attention to communications unless they are accompanied by the name of the writer? Someone this morning dumped a four-page effort into this office signed, "A Reader of the Leading Paper." The article is very good; but as there at least ten thousand "readers of the leading paper," we must know which one of that number wrote it.

## SOCIAL EVENTS

Mrs. J. E. Parker was the charming hostess at a reception yesterday at her home in East Second street. The hours were from 3:30 to 6:30 p. m., and the affair was one of the most delightful of the many that have been given this season. Music was furnished by Walker's Orchestra.

TELEPHONE No. 43. G. W. GEISEL, OPPOSITE OPERA-HOUSE.

The R & G Corset is made to fit you—not the Venus of Milo or any other arbitrary or theoretical figure. It fits all over—smoothly and closely as a silk under-vest, yet without the least sacrifice of elasticity or strength.

This is not so much because of the fact that the R & G makers have been fitting American women for 25 years and have developed a general design scientifically adapted to the American figure—

It is chiefly because that general design is made in so many modifications and variations that your exact size and shape is always to be found in R & G Corsets.

No. 431, Price \$1.50—The new double-bust gore corset especially designed for supporting the bust without restricting the freedom in any way.

No. 827, Price \$1—Straight front, deep hip. Produces most successfully the slender long effect, which the new style costumes demand.

Other styles at prices from \$1 to \$10.

This morning about 5 o'clock a thief was discovered in Mike Redmond's Third street store. He had gained an entrance by prying the grating off at the rear and passing through the cellar to a hatchway opening into the store room. From appearances he was a considerable thief, as he evidently had in mind a good dinner, judging from the goods he had selected and put in sacks when frightened away.

## The Jolly Fisher Man

Congressman Kehoe has bought of Captain Phister the combined fishing and pleasure scow "Cracker Jack," and proposes, the balance of this summer, to prosecute a relentless piscatorial warfare against the finny denizens of the Ohio deep.

Although long out of the builder's hands, the craft shows little wear and tear—a loose "cleat" here, an unshipped "jib" there, and a fractured "spinnaker" constitute the sum total of the "Cracker Jack's" bill of damages.

However, the boat has been put in dock, where she is receiving a thorough overhauling and an abundance of new paint of a variety of gaudy colors.

After a rechristening, she will leave the Market Street Ways for her own slip just East of Beasley Peninsula, where, betimes, the new skipper will hold forth and regale his constituents with "whoppers" about the big fellows he

allowed to get away while fishing 'way down East.

Young women may avoid much sickness and pain, says Miss Alma Pratt, if they will only have faith in the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—I feel it my duty to tell all young women how much Lydia E. Pinkham's wonderful Vegetable Compound has done for me. I was completely run down, unable to attend school, and did not care for any kind of society, but now I feel like a new person, and have gained seven pounds of flesh in three months.

"I recommend it to all young women who suffer from female weakness."—Miss ALMA PRATT, Holly, Mich.

### FREE MEDICAL ADVICE TO YOUNG GIRLS.

All young girls at this period of life are earnestly invited to write Mrs. Pinkham for advice; she has guided in a motherly way hundreds of young women; her advice is freely and cheerfully given, and her address is Lynn, Mass.

Judging from the letters she is receiving from so many young girls Mrs. Pinkham believes that our girls are often pushed altogether too near the limit of their endurance nowadays in our public schools and seminaries.

Nothing is allowed to interfere with studies, the girl must be pushed to the front and graduated with honor; often physical collapse follows, and it takes years to recover the lost vitality,—often it is never recovered.

### A Young Chicago Girl Saved from Despair.

"DEAR MRS. PINKHAM:—I wish to thank you for the help and benefit I have received through the use of Lydia E. Pinkham's Vegetable Compound and Liver Pills. When I was about seventeen years old I suddenly seemed to lose my usual good health and vitality. Father said I studied too hard, but the doctor thought different and prescribed tonics, which I took by the quart without relief. Reading one day in the paper of Mrs. Pinkham's great cures, and finding the symptoms described answered mine, I decided I would give Lydia E. Pinkham's Vegetable Compound a trial. I did not say a word to the doctor; I bought it myself, and took it according to directions regularly for two months, and I found that I gradually improved, and that all pains left me, and I was my old self once more. — LILLIE E. SINCLAIR, 17 E. 22d St., Chicago Ill."

Lydia E. Pinkham's Vegetable Compound is the one sure remedy to be relied upon at this important period in a young girl's life; with it she can go through with courage and safety the work she must accomplish, and fortify her physical well being so that her future life may be insured against sickness and suffering.

\$5000 FORFEIT if we cannot forthwith produce the original letters and signatures of above testimonials, which will prove their absolute genuineness. Lydia E. Pinkham Medicine Co., Lynn, Mass.

## BEAT HIS WIFE.

And Deserves Everything That the Law Can Give Him

An aged sinner named King, who has been kindly cared for by the county at the infirmary, disgraced himself Wednesday by whipping in an unmerciful manner his life-long and best friend—his wife.

Superintendent Rosser at the time was engaged in overseeing some work done in a field, and as soon as being apprised of the matter, communicated with County Judge C. D. Newell, who ordered the man committed to jail.

Notwithstanding the weight of 65 years that has bent the shoulders and frosted the locks of this old sinner, it should in no wise be a bar to his receiving adequate punishment for his brutal conduct.

A man who would mistreat his wife and cause her heartburns is capable of committing any crime in the calendar.

A wife-beater is the lowest of creation.

All matter for publication must be handed in before 9 o'clock a. m.

Misses Mamie and Maggie Murphy, and Rev. H. Nutter, D. D., of Paris; Miss Lucy C. Hawkins of Winchester; Rev. E. W. Hawthorne, D. D., of Lexington, are here attending the colored Baptist Sunday-school Convention and are the guests of Mrs. Hattie L. Anderson of 620 East Third street.

## CLOSING MEETING

Today Ends Convention of Colored Baptists in This City

Yesterday's session of the Baptist Sunday-school Convention opened at Plymouth Church in the morning with Scripture quotations.

W. H. Tabb of Lexington read a paper "How Best To Influence the Young to Attend Sunday-school." He proved himself to be master of the situation.

A Committee on resolutions was appointed, with C. C. Gaines Chairman.

Prof. J. S. Hathaway and C. W. Reynolds and Dr. S. W. Stevens were presented to the Convention. This completed the morning session.

In the afternoon Secretary Horner gave instruction concerning institute work followed by W. R. Payne, D. D., who read a paper on "Christ as a Teacher."

Miss Fannie B. Jewett, the District Missionary, made her report, which showed the work to be progressing.

R. B. Butler, State Missionary, was heard at length to the delight of all.

After some committee reports the afternoon session closed.

At the evening session Miss M. G. Britton conducted the Divine service. Prof. L. Harris had arranged special music for the occasion, which was charming, with Mrs. D. D. Arnold organist.

The Educational sermon was delivered by E. T. Fishback.

The annual sermon for 1905 will be delivered by H. Nutter, D. D., and the Educational sermon by W. J. M. Price.

The next place of meeting will be Versailles.

This morning the officers will be elected and this evening at 8 o'clock a special program will be rendered that will be worth your while to hear. All welcome. No charges.

This will close all, and the parting hand will be taken to begin the ensuing Conventional year.

## STATE NORMAL SCHOOLS

Kentucky Now Without a Single Institution of the Kind

Before the adjournment of the meeting of the Kentucky Educational Association in this city this week, the following resolution was introduced by Superintendent M. O. Winfrey of Middlesboro, which was adopted:

Whereas, The first concern of a free Democracy is the proper education of all its citizens; and whereas, the last census shows the percentage of illiteracy among the white population in Kentucky ten years of age and over to be 12.8%, and less than 50% of the children of Kentucky are in any school; and whereas, we believe this rate of illiteracy betokens educational conditions that demand prompt action to remedy them; and whereas, the need of well trained teachers in our schools is more pressing felt each year throughout the state; and whereas, Kentucky is behind her sister states of the South in the provisions made for the training of teachers, as shown by the last report of the National Commission of Education, wherein it appears that, for example, Missouri has three State Normal Schools for whites; Tennessee one, West Virginia six, Virginia two, Florida two and Alabama four; all of them well-housed and equipped and strongly supported while Kentucky has none, except an inadequately equipped and parsimoniously supported Department in the State College; therefore, be it

Resolved, That we seek legislation from the next General Assembly which shall establish one or more high grade State Normal Schools, well-housed and well-equipped for adequately preparing teachers for all grades of schools and for any position from the rural school to a City Superintendency; be it further

Resolved, That we pledge ourselves to exert our influence through Institutes, Associations and individual effort to secure such Legislation from the next General Assembly.

We hereby direct the President of this Association to appoint a Committee which shall begin at once to effect an organization in every part of the state which shall have as its object the creation and cultivation of right public sentiment looking to the accomplishment of the end herein set forth.

The Committee appointed is composed of Profs. M. O. Winfrey, E. H. Marks and J. A. Sharon.

The following local resolutions passed by the Association will be of interest—

Resolved, That we tender our thanks to the Mason County Superintendent of Schools and to his excellent corps of teachers and to the citizens of Maysville for the great interest they have manifested in our association.

That we extend our thanks to the Maysville Elks for the royal manner in which they entertained us; to those who provided for us the delightful evening's entertainment at the Hill House; and to the city teachers for their gracious invitation to the lawn fete this evening.

That the thanks of the association are due J. W. McClintock of Chicago, Superintendent J. W. Carr of Anderson, Ind., and Rev. H. T. Musselman of Maysville, for their timely and helpful addresses.

That we urge upon the Superintendents of the State the importance of their co-operation with the Executive Committee of the association in arousing their teachers to a sense of the importance of their attending the sessions of this association.

HEALTHY MOTHERS.

Mothers should always keep in good bodily health. They owe it to their children. Yet it is no unusual sight to see a mother, with babe in arms, coughing violently and exhibiting all the symptoms of a consumptive tendency. And why should this dangerous condition exist, dangerous alike to mother and child, when Dr. Boecher's German Syrup would put a stop to it at once? No mother should be without this old and tried remedy in the house—for its timely use will promptly cure any lung, throat or bronchial trouble in herself or her children. The worst cough or cold can be speedily cured by German Syrup; so can hoarseness and congestion of the bronchial tubes. It makes expectation easy, and gives instant relief and refreshing rest to the cough-racked consumptive. New trial bottles, 25c; large size, 75c. For sale by Henry W. Ray, Postoffice Druggist.

ASK YOUR NEIGHBOR.

Hundreds of Maysville Citizens Can Tell You All About It.

Home indorsement, the public expression of Maysville people, should be evidence beyond dispute for every Maysville reader. Surely the experience of friends and neighbors cheerfully given by them will carry more weight than the utterances of strangers residing in far-away places. Read the following:

Mr. C. L. Hubbard, dairyman, of 325 West Third street, says:

"I have the greatest faith in Doan's Kidney Pills. The use of less than one box ended a disturbed condition of the kidneys and an inflammation of the bladder. After sometime it returned but in a lesser degree, and I procured another box of Doan's Kidney Pills at J. James Wood & Son's Drugstore. Use of it substantiated the opinions I had already formed of this effective preparation."

For sale by all dealers. Price 50 cents a box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

## Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is set afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root. Pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

## CURED BY CUTICURA

Which Acted Like a Charm After Doctors and Hospitals Failed.

Here is another of those remarkable cures of torturing, disfiguring skin humors daily made by Cuticura Ointment and Soap, after physicians, hospitals and all else had failed.

"I feel it my duty to try to help those suffering from skin diseases. My case was a very bad one, covering all of one side of my face and had reached my eye. I had two or three doctors prescribe without any relief. They said my disease was Epithelioma. I was then advised to go to one of our hospitals, which I did, taking their treatment for some time. I had given up all hope when my husband asked me to try the Cuticura Remedies. My face being in such a very bad state, I used the Cuticura Soap with lukewarm water and a small silk sponge and then applied the Cuticura Ointment. I took one teaspoonful of the Resolvent four times a day. They acted like a charm, and in one week's time my face was cured entirely and has remained so. I certainly can recommend the Cuticura Remedies as infallible."
